

CELESTIAL

Look for starry motifs—create layered, ephemeral, dazzling, galactic effects. Go for iridescence. Whether mystical or science-inspired, embrace space!

5822 Coaster

The stars inspire in many ways—pair astrological symbols with amazing images from NASA.

Jewelry Shapes

4628 is available now, and other shapes are coming soon. Some nights are unforgettable—preserve the memory of the stars!

4026 Coasters

Neon looks are hot—and a perfect match for the zodiac wheel.

4066 Aluminum Panel

Welcome her with a star sign over water—just right for a Pisces whose name means “shining light”!
